

Port Austin Hot Spot

We have free internet access! Free Wireless Internet access is now available at Port Austin DNR Marina. With your Wi-Fi compatible computer, connection is as simple as 1-2-3.

Directions:

(Your computer must have a Wireless Internet card installed and turned on.)

- 1) Turn on your computer and open your internet browsing software.
- 2) Your browser will open to a login screen where you will be prompted for your first name, e-mail address and zip code.
- 3) Once you have submitted your information you are ready to browse the internet as usual.

Your online access is compliments of AT&T, Port Austin DNR Marina, Huron County Economic Development Corporation and Air Advantage.
